Menu Introduction

8.1.1 Screen Concept

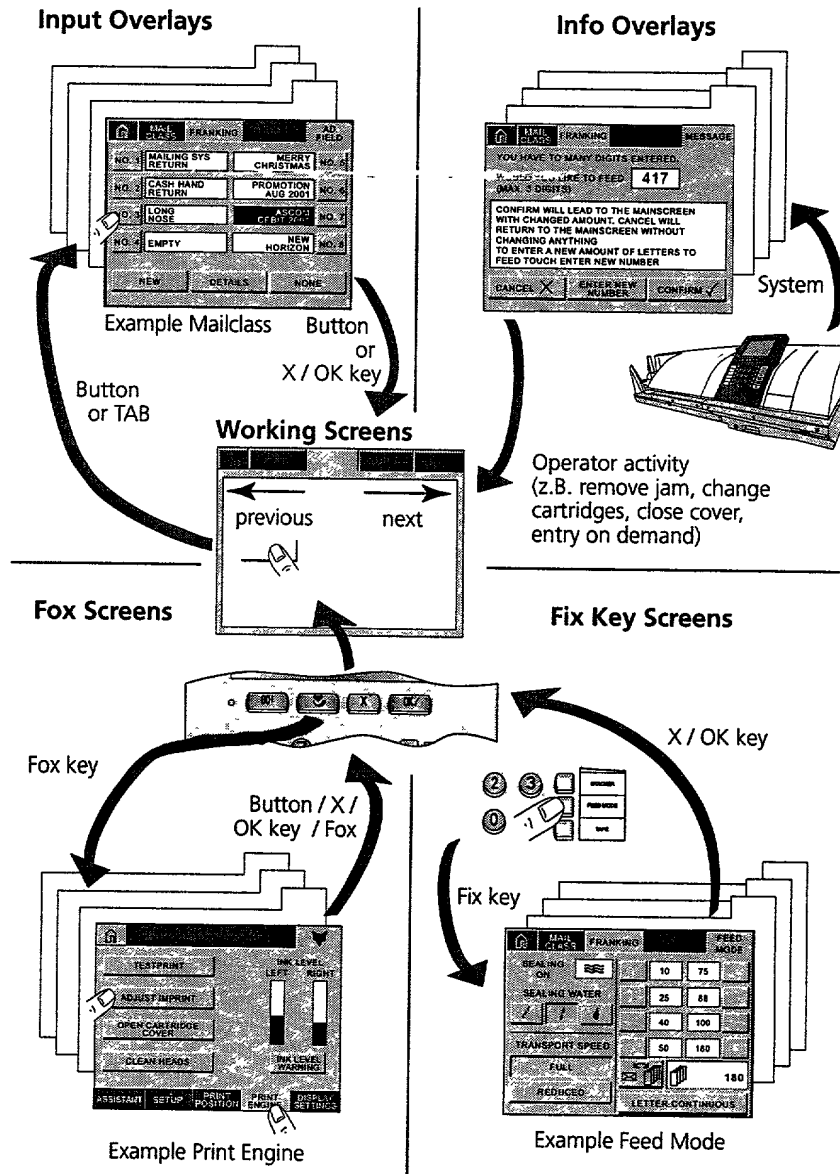

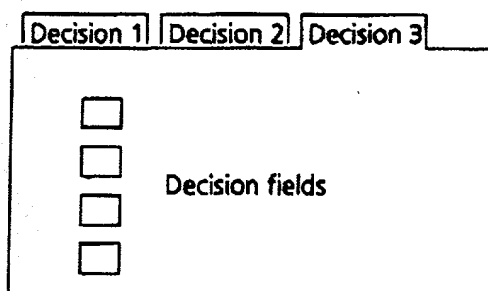

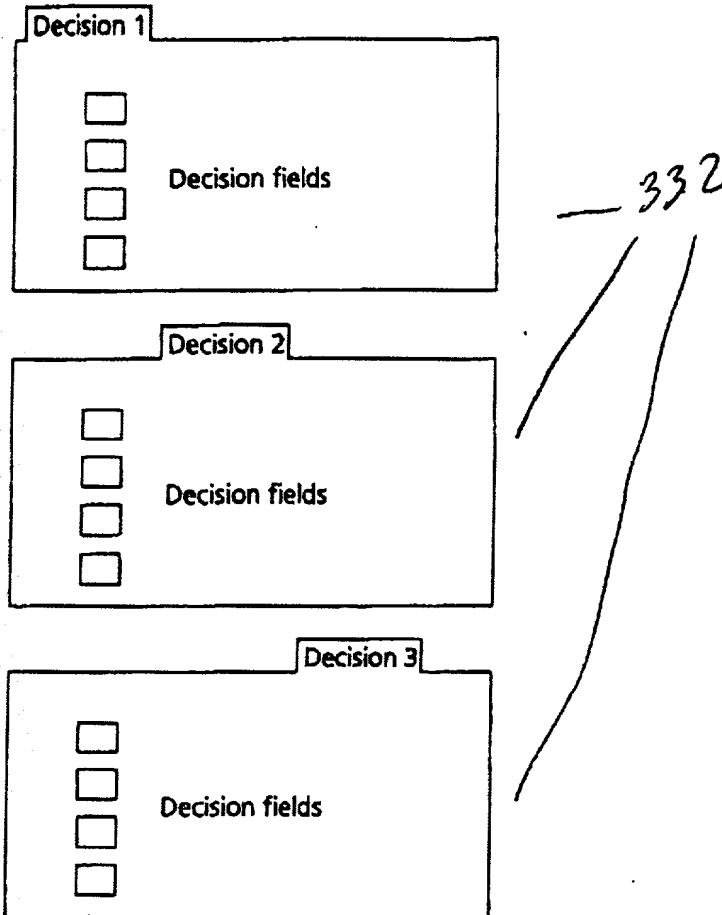

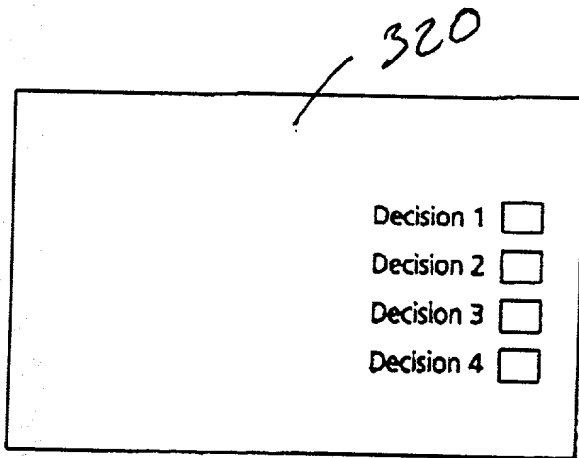

FIG. 4

Decisions to be taken in historical order

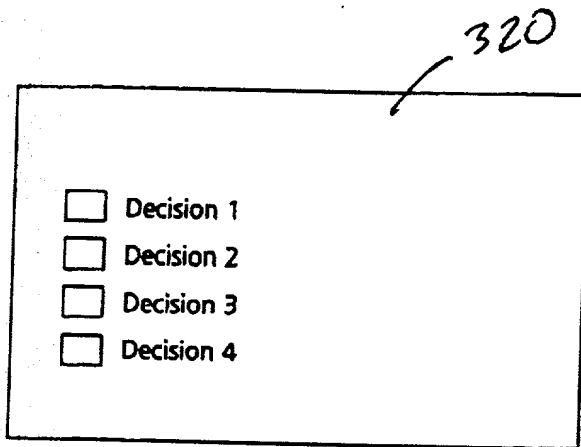

- Decision path obvious
- Easy go back in history, change decision path

FIG. 5

Typical layout of a righthander's Touchscreen

- Hand / finger doesn't cover information while touching the key

After a change in eg submenu:

- Typical layout of a leftthander

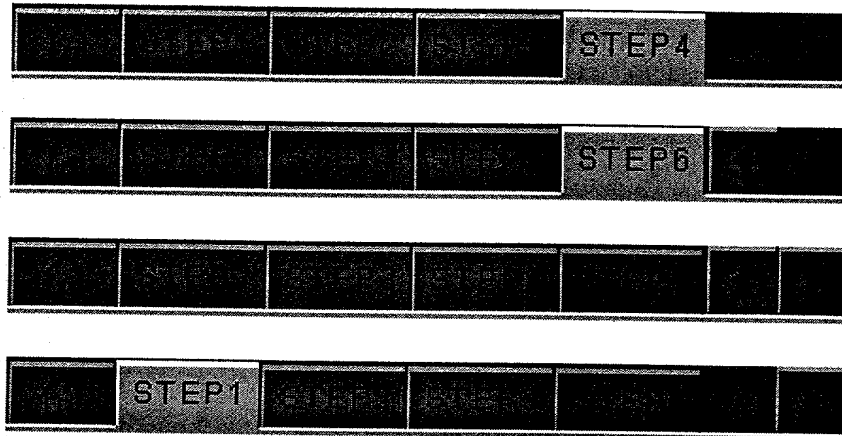

FIG. 10

Diagram illustrating a user profile configuration screen. The screen displays a list of configuration items, each with a label and a corresponding value. The items are arranged in a vertical list, with each item having a label on the left and a value on the right. The labels are in a dark, textured box, and the values are in a white box.

Label	Value
NAME	New User 1
GENERAL	GENERAL
PowerPost	PowerPost
MONO	MONO
111111	111111
OPEN	OPEN

At the bottom of the screen, there are two buttons: "DELETE" and "CONFIRM".
